Tadley Gate, Aldermaston AWE,
on the A340

Vigil for justice & peace

This is the time for 'the elimination of all nuclear arsenals'
(Article VI, the Nuclear Non Proliferation Treaty.)

Aldermaston AWE is where our nuclear weapons are researched and built...and where they are decommissioned and dismantled.

Decommission yes, Replace no!
Bring Candles, Pink Scarves!!

All Faiths and none welcome, parking opposite.

Trident is Britain's submarine nuclear weapons system;
4 submarines, 8 missiles each; 5 nuclear warheads per missile; each
warhead = 8 x Hiroshima; **Hiroshima = 140.000 killed by blast, fire
& radiation 6 August 1945.**

Never again!

AGAINST

THE UNITED KINGDOM

submitted 24 April 2014

by

THE REPUBLIC OF THE MARSHALL ISLANDS ISLANDS

to

THE INTERNATIONAL COURT OF JUSTICE

re

obligation to pursue in good faith and conclude negotiations leading to
nuclear disarmament

The USA used the Marshall Islands for atmospheric nuclear weapons
testing for 12 years.

Tony de Brum, RMI Foreign Minister said '**Our people have suffered
the catastrophic and irreparable damage of these weapons and we
vow to fight so that no one on earth will ever again experience these
atrocities.**'

*'The failure of these nuclear armed countries to uphold important
commitments and respect the law makes the world a more dangerous
place. We must ask why these leaders continue to break their
promises and put their citizens and the world at the risk of horrific
devastation'* Archbishop *Desmond Tutu*
